Overview

The purpose of this manual is to provide guidance and clearly define expectations for all members of SHBSE. This manual will define the steps needed for purchasing, travel claims and reimbursement of personal funds used along with proper Pcard handling processes. These are the standards for SBHSE, exceptions to these standards will be handled on a case by case basis as they are sure to arise!

ALL financial transactions discussed in this manual need to contain three items-always!

1. Approval from the PI/Org manager in writing or electronic
2. Purpose of expenditure and justification as to how it relates to the account being used to pay for it
3. The Funding Source/Account number

Purchasing

Overview

All requests for purchases need to include the details of what is to be purchased, the PI/Org Manager’s approval, and the purpose and justification of how the purchase relates to the account being used. If the approval is obtained via email, the BODY of the email needs to list the details including the $ dollar amount total –attachments are not sufficient. The processes are listed in order of most commonly used.

Sunrise Orders

For those individuals/areas that are approved Sunrise requesters, the Sunrise system will be utilized to make purchases. Internal notes must be added to the requisition indicating purpose and justification for how it relates to the account! Once the requisition is completed thru Sunrise it is electronically sent for Department Level Approval which is the PI on the account. Once the Department Level approval is done,
the RA staff will receive the order for Agency/Org approval. The order is sent to the vendor after the Agency/Org Approval is complete. Please allow 24 hours for the Agency/Org approval to be completed.

The next step is the package receiving process outlined later in this manual.

**Purchase Request /Reimbursement Worksheet**

The Purchase/Reimbursement Worksheet Form (now consolidated to one form) can be filled out by hand or electronically. Obtain the PI/Org Managers approval, then deliver the worksheet (email is OK) to your RA Staff person (attach original receipts if it is a reimbursement request). The RA Staff will verify the expenditure is allowable on the account and that there are funds available to pay for the purchase. The RA Staff will forward the Purchase Request Worksheet to the Purchasing Agent for completion of purchase/reimbursement.

*If email approvals are being utilized don’t forget the body of the email needs to contain all the details of the purchase ie: the dollar amount, the account number, and list the items being purchased.*

- Turnaround time for Purchasing Agent to complete purchase after receipt of all approvals will generally be two business days. Please allow three business days for high volume periods.

**PCard Purchases**

When using an ASU issued Pcard, the receipt/order for the purchase must be sent to the Purchasing Agent along with the purpose and justification. Purchasing agent will keep all receipts pending the Pcard Statement and attach the packing slip when received. Purchasing agent will prepare the Pcard Reconciliation for card holder’s signature. If the account needs to be changed the Purchasing Agent needs to be notified at time of purchase.

Anyone using an ASU issued Pcard must be familiar with the ASU polices regarding its use and the restricted purchases list. [http://www.asu.edu/purchasing/forms/RestrictList.pdf](http://www.asu.edu/purchasing/forms/RestrictList.pdf)

**FURI Requests**

In lieu of the Purchase or Reimbursement forms The ‘Fulton Undergraduate Research Initiative Research Supplies Reimbursement/Funds Request Form’ needs to be completed and signed. This is obtained in the FURI office. Once all signatures are obtained, please forward to your appropriate RA staff for final account review. The RA Staff will forward to the Purchasing Agent for final purchase/reimbursement as needed.

**Package Receiving Process**

When the package is delivered to the Purchasing Agent, the person named on the package will be emailed notifying them of delivery within 24 hours (generally on the same day). “-20” packages will be left on top of the freezer, items marked as requiring refrigeration or freeze upon receipt will be put in freezer or fridge as needed. Every attempt should be made to pick these packages up on the same day!
The Log!

A log is kept of all items delivered. When the item is picked up it must be signed for. Every package is already listed on the log— all that needs to be done is to find the package listing on the log, this will tell you where the package is located, and sign for it. If a single delivery constitutes more than one package it will be noted on the log how many boxes are involved for that line item. Each line/delivery must be signed for when picked up. One delivery=one signature required.

Travel

Travel within the US excluding Alaska and Hawaii is done via the online Travel System on My ASU. Anyone traveling should attend the Travel Training offered by ASU. [https://cfo.asu.edu/fs-travel-training](https://cfo.asu.edu/fs-travel-training)

Travel outside the US including Alaska and Hawaii is done via a “paper” travel process. Both processes are detailed below.

Things to keep in mind:

- Submit your authorizations early, especially for Foreign Travel.
- Advances for Airfare and registration fees will be paid at 100% generally within 3 business days of the authorization being approved. All other advances will be paid at 75% about a week prior to the trip start date.
- If the final claim is more than 10% of initial authorization request, there will be delays in processing as additional approvals will be needed. Traveler will need to document why the final claim is more than authorized.
- Car rentals: This requires defensive driving course/certification through ASU and driver’s license verification prior to trip.
- Items that will require additional justification:
  - Internet usage.
  - Hotels that are over the per diem rate. If you are staying at the conference hotel, you must provide a copy of the program that states the conference hotel for additional back up.
- Travel over $5,000.00 will need additional approvals. (Dean's Office).
